- ❖ x(GSEB) | Ascent School Ankleshwar 83% / May-2021

ACADEMIC PROJECTS

❖ Student dashboard

The **Student Dashboard** Web Application is a simple website that organizes all subject study materials in one place. It helps students quickly find notes and PDFs through a clean, easy-to-use dashboard made with **HTML**, **CSS**, and **JavaScript**, without any backend.

❖ Image generation

The **Image Generation System using Python and APIs**. Python, with its rich ecosystem of libraries, provides a powerful foundation for integrating AI models and handling image data. APIs, the project connects to advanced pre-trained models that can generate high-quality images from textual descriptions or parameters.
